## CAMP PHILOSOPHY

The College Prep Camp at Mount St. Mary's University is an intensive three-day showcase type training camp that will be a "proving ground" for college bound players. The camp is designed to closely replicate the training environment and competition that the advanced player can expect to find at the collegiate level. The full sided matches are also an outstanding opportunity for players to showcase their abilities both individually and thru team tactics.

**Camp Facilities:** All campers will be housed on campus in ***Air-Conditioned Apartment*** style dormitories. Meals will be provided in the school's cafeteria. Confirmations will be sent out immediately after processing which will include a camp information sheet, medical history form and camp schedule. Any balance due is required 30 days prior to camp.
